If your dancer is chosen, you will be required to pay the Provincial entry fee. For an official delegate, it is \$155. For a Merited Participant, it is \$60. JPA will be couriering all Adjudicator signed documents, waiver forms and one combined cheque to PABC. If you choose to pay for the fees directly to PABC by PayPal it is essential to tell the JPA Director in charge of Provincials so that your dancer's fees are not included in the one combined cheque.

Please enter all dancer's solo information - dance title beside the appropriate genre with time in minutes and seconds (eg. 2:05 for two minutes & five seconds). Having all of this information will expedite the Provincial registration process for JPA. It has been difficult to obtain the required information in a timely manner using the previous process which is why it is being changed.

This form will be used to determine the eligibility and choose dancers for Provincials. JPA attempts each year to make improvements to the efficiency of the Competition including our process for Provincials. It has been difficult to track down parents of dancers chosen for Provincials on the Friday of the Competition. The day that they are chosen by the Adjudicators is also the day that we must register all the dancers. There is little time to obtain the required information.

It is our hope that this new system will improve the process. If you have any questions, please email jpaprovincials@gmail.com.

If your dancer is chosen for Provincials, you will receive a text to meet in the foyer. The Provincial entry fee will need to be paid by either cash, an Electronic Money Transfer or a cheque. The sections of this form that are not fillable are for JPA internal use only or only if your dancer is chosen. You will be contacted on your cell phone on Friday if your dancer is chosen to attend Provincials to: pay for entry fees and submit or sign the Provincial waiver. Any questions on Provincials, please ask a JPA Director or email jpaprovincials@gmail.com.
